SECURING YOUR DOMAIN & SETTING UP HOSTING ACCT.

Laura Bowly Design works with GoDaddy to provide you with affordable & highly supported hosting services.

Laura Bowly Design Service Includes

- Securing your desired domain name (subject to domain name availability).
- Creating and setting up your hosting account
- Uploading temporary custom coming soon page featuring your business logo & contact info.
- Creating custom email alias that includes web based mailbox and automatic forwarding to existing email address.

You will receive all account information, including login and password. You will have full access to your GoDaddy account and will not be obligated to work specifically with Laura Bowly Design once your account is set up.
